

The Lenny Zakim Fund

Fund Grantee Self-Evaluation

Due Date: July 30th 5:00 pm

Please answer the following questions as specifically and concisely as possible:

1. What were the program's primary objectives?
2. What were the major challenges you faced? Please share how you met them and what you learned from these challenges.
3. What achievements and successes were realized? Please share what you learned from your achievements.
4. How many individuals/families were served by or involved in your program?
5. Is the program still operating? If so, how is it being funded? If not, what happened?
6. What are your visions for the future, and/or long range plans?
7. Part of the mission of The Lenny Zakim Fund is to support grantees' steps towards independence and self-sufficiency. How do you feel we either have helped or could further help you in this process?
8. Have there been any changes to your key staff? If so what were they and please provide the names, phone numbers, and email addresses for the new staff people.
9. Is your program in the same location? If not, please provide the new address(es) and phone number.
10. Would you recommend any changes to The Lenny Zakim Fund process or site visits?
